Title: A letter adressed to GreyPawn

Author: a reclusive necromancer

GreyPawn, Mayor of
Moonglow. I wish to meet
you to talk about city
politics. Meet me at the
staue display in the
Lycaeum tomorrow,
Sunday, at Five
P.M. by the Eastern
sky. I wish to speak
with you and you
alone. Don't bring any
or send any of your
guildmembers. I would
greatly appreciate if
you did this.
